

**Request for Proposals:
Comprehensive Market Study and Website Development**

The Brunswick County Industrial Development Authority (BCIDA) is soliciting proposals from qualified consulting firms for a comprehensive market study and subsequent website development. This request stems from an ongoing feasibility study, which focuses specifically on the incubator space within the Sledge and Barkley building. BCIDA seeks a broader market analysis to explore additional potential development applications and to inform strategic decisions. BCIDA has been awarded an Industrial Revitalization Fund Planning Grant in an amount of the total allowable, eligible costs through the Coronavirus State and Local Fiscal Recovery Fund within the American Rescue Plan Act of 2021 (CFDA 21.027). BCIDA plans to apply to DHCD for IRF funding in the Fall of 2023. If you wish to receive a copy of the full RFP, please contact Mike Dotti, Executive Director, at m_dotti@bcida.org or 434.848.0248. Minority and/or female-owned businesses or firms and local Brunswick businesses or firms are encouraged to apply. BCIDA is an Equal Opportunity Employer. Proposals are due July 21, 2023, at 2 pm.
